INTRODUCTION TO VOICEOVERS

From the comfort of your own home, this fun and empowering 90 minute, one-on-one introductory workshop covers the different types of voiceovers and what tools are needed to find success. You'll be coached as you read a script and be recorded so you can receive a professional voice evaluation later. You'll have the knowledge necessary to help you decide if this is something you would like to pursue. Check out the video at <http://www.voicesforall.com/ooo> to get a better sense of how this class works. Taught by a professional voice actor from the Voice Acting Training Company, Voices for All.
