Subdivision
Rezoning

Said application for Subdivision, Rezoning and Special Use Permit requests authority to rezone and subdivide a 7.87-acre parcel into 7 single-family lots (5 new and 2 existing) and two detention pond outlots. The property is proposed to be rezoned from E-1 Estate Residential to R-2 Residential. Three of the lots are accessed via a new private roadway and four lots are accessed via an existing road. The application for Special Use Permit includes request for modifications to allow for a private road, private detention and a reduction in the detention pond setback.
